We've seen a lot of threesomes, but to get a great foursome, is something special. And these three dolls are primed for the young stud about to enter the scene in the next pages. It didn't take long for the three to get themselves warmed up, and when Ricky joined them, all hell broke loose.

Andrea & Kika & Laila

Thankfully we has a photographer there to capture all the action. And what action there was! Enjoy!

Fortunately, today's digital cameras can take a lot of pictures. We would have run out of film a long time ago. And the action probably would have melted the film, that's how hot our foursome got.

I decided twenty years ago that I would like to have sex on every continent. Well, except Antarctica, of course. My first was in North America, then Europe. My third was in Asia and then Australia.

Lilly

I got to Capetown in Africa and did it there. That left South America for my last conquest. I decided to have that one filmed here for posterity.

**My boy toy today is Kostia.
I met him in Riowhen I went
there for the FIFA World
Cup. He was so sad after
Brazil lost so I had to con-
sole him. I did my best to
make him forget and I think
I did a good job. His young
cock was delicioso and his
stamina made me cum four
times in one night. I told
him not to wait for another
four years to find someone
like me to fuck!**

i was just a warm up for her girlfriends

SOMETIMES THE BEST WAY TO GET WHAT YOU WANT IS TO GIVE HER WHAT SHE WANTS

It's finally Friday night and I'm getting home from a long, long drive from Tulsa. I park in the garage and enter the house, heading straight for the shower so I can get the day's grit off me. The house is quiet as I step out of the shower, dry off and wrap the towel around my waist. I probably need a drink and make my way to the kitchen and see Simone, my amazing wife, prepping tomorrow night's dinner. I step up behind her and begin massaging her shoulder and neck. She works just as hard as I do and I want to let her know I appreciate it. She lets out a small sigh and comments on how good it feels. We make small talk about the day and her plans for tomorrow.

After a few minutes of rubbing her back, she tilts her head to one side, her hair brushing clear of her shoulder. I lean down and start to kiss and nibble at her exposed neck. She giggles a little and smiles as she leans back into me, enjoying my attentions. I stop massaging and wrap her in my arms from the back. My left hand was across her abdomen and my right fell across the top of her breasts. She reaches back and slips her hand under my towel and her fingers flick at my cock and balls.

She's not wearing a bra and my thumbs flick across her

nipples. She's doing nothing to stop me. I pinch her nipples, rewarding me with a gasp of pleasure. My left hand slowly slides down her flat stomach, stopping at her crotch. I can feel how wet she is through her shorts. I rub her pussy through them while my free hand slips under her t-shirt and continues to play with her nipples. We continue like this for some minutes, the only noise heard is the deep breathing and gasps of air as I play with her and she with me.

Simone continues to grind into me and stroke my cock. I find the zipper to her shorts and pull it down. I undo her shorts and pull them down with her panties as I kneel behind her. "What are you doing?" she asks in mock anger as she steps out of her shorts as I pull her top off. I kiss and lick the spot I just bit.

Simone's pretense of resisting my attentions fade and she opens her legs wider and bends forward at the waist, giving me perfect view of her lovely ass flower. She quivers, quakes and throbs as I suck, lick and probe it with my tongue. My left hand reaches around her and my fingers get drenched as they slide up and down her pussy lips. One finger finds her clit and I begin to tease her by just barely touching it. She moves her hips forward to meet my finger as I continue down between her butt cheeks.

B04-BLAIR

Our sweaty bodies make it easy for her to slide out from under me and she drops to her knees before me and sucks my cock into her mouth

She starts to wiggle and maneuver her hips and pelvis to find a way to get both her pussy and ass pleasured. I sense the juice dripping from her crotch and the smell is marvelous. Suddenly she turns around and leans back against the counter and raises a leg over my shoulder. She pulls my head into her crotch and I go to work on her. I start by kissing the outside of her pleasure zone, slowly licking and kissing down one side and up the other. Then my tongue flits across her pussy lips giving me the first sweet taste of her juice. Slow moans escape her lips as she digs her nails into the back of my head, trying to force it where she wants it.

I slowly lick her slit from the bottom to the top. I stop just before her clit. I make slow laps with my tongue, over and over, poking and prodding, separating her lips, now and again licking a little deeper into her pussy, but I largely leave her clit alone, for the moment. Then I flick it with my tongue now and again and each time I do I'm rewarded with a sharp intake of her breath. While I'm licking her, my right hand is busy with her anus. I get my fingers slick with her pussy juice and slowly run little circles around her tight brown star. I apply just enough pressure to suggest penetration but not quite enough to let it happen.

Slowly, her hipsbegging to gyrate and buck even more. Her eyes are closed, one hand's entangled in my hair. I sense she can't take any more of this so I slowly push a finger in her ass. With my other hand, I inch my index and ring finger into her hot pussy. These fingers easily find her G-spot and begin to massage it while I finally give her love button the attention she's been craving as I'm now sucking and licking it. My finger in her ass slowly pushes in and out of it, so it's not long before all this sends her over the edge. Her knees begin to buckle as an orgasm surges through her.

She screams out as her orgasm produces a stream of sweet nectar. I drink it all. She almost crumbles to the floor, nearly spent. I catch her, and slowly stand her up. I kiss her full on the mouth, my face sticky with her pussy fluid. Then I throw her onto the kitchen table, her body still twitching from her orgasm. Her pussy lips are wet and dripping. I can see her pussy and ass twitch with anticipation. I take my cock in hand and rub its tip up and

down her pussy. I slowly glide my cock into her waiting pussy. She grabs my hips and tries to get all of me inside her faster. I push in and penetrate her up to the base of my cock. I can feel her pussy dripping on my balls. The table is a bit low so I grab her hips, lifting them from the table. I go long and slow the first few strokes making sure I'm fully coated with her juices. Then without warning I start to slam my cock in to her. I grunt and growl like an animal as I use my arms and hips to help fuck her. She continues moaning as she squeezes her boobs and pinches her nipples hard.

Suddenly she reaches up for me, trying to sit up in the process. I grab her arms and pull her to me. She wraps her legs tighter around me as I lift her from the table. I pump her up and down on my cock as I stand in the middle of the kitchen. I can feel her nails digging into my back as another orgasm surges through her. I

I start fucking her standing there again as her orgasm subsides. I lay her back on the table and start fucking her harder and harder. She senses that I'm about to blow a big one. Our sweaty bodies make it easy for her to slide out from under me and she drops to her knees before me and sucks my cock into her mouth, massaging my balls at the same time. I'm too close and her mouth feels perfect! I grab thick handfuls of hair as she lets me fuck her throat.

Simone knew that Hope and Sandie had experimented with each other, and she had wanted to also but was to afraid to.

Just as my cock explodes into her wanting mouth, Simone forces two fingers she's been lubing with her pussy into my ass. The sensation is unimaginable! I cum so hard it almost hurts as load after load of hot jizz gushes down her throat. She milks my cock of every last drop, pumping it with her hands as she sucks out everything she can. Simone smiles and stands up before me, wiping cum of her chin with her fingers. She sucks her fingers clean and gives me a deep tongue-filled kiss. I can faintly taste some of my manjuice still on her lips. Silently, we stand there holding one another and softly kissing each other in the middle of the kitchen. I pick her up and carry her to the bedroom. By the time we get there she is almost asleep as I lay her gently on the bed.

It's Saturday today, and Simone has invited some of her girlfriends over for dinner and a party. I helped whip up some desserts for them, but it was Simone's show tonight. They would arrive soon, so she hopped in the shower. She put on some lace underwear and her finest perfume. She loved how it felt to have another woman taste her and feel her mouth against her warm body. Simone knew that Hope and Sandie had experimented with each other, and she had wanted to also but was to afraid to. Shortly, everyone showed up, ended up in the kitchen (yes, I cleaned up), and started reminiscing about the old days and how happy they were to see each other. After dinner everyone went to the living room to have drinks and play truth or dare.

Jennie started it off by saying, "truth or dare" to Simone? Simone, of course, picked dare. She dared her to French kiss Sandie. She walked over and gave her a kiss so seductively that both Sandie and Simone got wet and their nipples got hard. Jennie and Hope gave each other a devilish look and smile. Jennie got up and sat next to Hope rubbing on her soft skin and giving her a seductive look. Simone watched as they kissed and Sandie rubbed on Simone's full but perky breasts, playing with her nipples. They were at full attention just wanting Sandie to swallow them up with her hot wet mouth. Sandie unbuttoned Simone's blouse and took it off slowly. She pulled down Simone's bra straps exposing her breasts. She pushed Simone back on the couch and took in a mouth

full of boob; sucking them as if she was thirsty. Simone groaned and moaned with ecstasy. Sandie went up and down her body with and stuck her fingers inside of Simone's skirt and into her lace panties. Simone's head raised, she moaned uncontrollably as her body started

shaking and her moans were turning into cries of ecstasy. Sandie stuck her two fingers deep inside of her. She screamed as Sandie fucked her faster and faster with her fingers. She came so hard that Jennie and Hope joined in on the fun. Hope told Simone that they were going to give her an experience that she would never forget. Everyone got out of their clothes and took it to the bedroom. Jennie laid Simone down on the bed kissing her ever so slowly, Hope sucked on her wet, hot pussy and licked her clit slowly while Sandie sucked her breasts. Jennie began sucking her breasts and playing with her clit as Hope licked her love hole and making it even wetter. She took two fingers and put them inside.

She moaned and wiggled, tugged at the sheets grabbing Jennie's breasts and sucking them. Simone began eating out Jennie while Sandie laid under Hope and devoured Hope's wet pussy. She sucked it hard making Hope suck Simone's clit even harder. They took turns licking each other and giving each other multiple orgasms. This whole time, I'm sitting at the edge of the bed watching this sweet girlie action going on in front of me. I helped myself to a final release as they all finished theirs. And Simone finally got to experience what she wanted, and to have my fantasy come true.

A full-page photograph of a woman with blonde hair, smiling at the camera. She is wearing a pink and black lingerie set, consisting of a bra with a floral lace pattern and matching high-waisted bottoms. She is sitting on a red couch with her legs spread apart. The background shows a white wall with some framed pictures.

Sex is always on my mind. I'm like a college boy sometimes, always horny and ready to do it. I'll warm myself up by playing with my clit and boobies.

Nela

Then when I'm all wet, I'll take that cock of yours and guide it into my dripping wet pussy and let you fuck me until it dries up. And that could take a very, very long time.

Wanna try it?

I love one-night stands. But I'm careful with who it is, usually it's someone I know or want to get to know. And when I bring them home, they know they're gonna get a good fucking. I'll start with cooking a homemade dinner,, some good wine and a great blowjob. Then I'll take them over to the sofa and strip them and myself naked and sit my tight pussy down on the hard cock. Then we'll fuck until I kick them out.

I volunteer as often as feasible, and there are days when it just pays to come to work. Like when a nice young stud comes in and I get to service him. There's nothing like making a big, ailing cock feel better; and then that cock makes me feel better. I heartily suggest that if you have time to volunteer,

PUSHING ALL THE RIGHT BUTTONS

It's Thursday night and I'd been working late and the office was all but deserted, save the night crew and some security people. As usual, I dreaded riding the elevator down sixty floors by myself, but I had no choice. The bell rang to say the elevator doors were opening. When they opened, standing there was the new girl from the marketing department which was on the floor above and that many of them worked late hours, too. I was thankful for the company and even more so when I saw how attractive she was. She smiled and stepped back for me to get in the elevator. "Hi." I said as I entered the elevator.

"Grace, isn't it?" I hoped I was correct and it wasn't something like Carol.

"And you are...?"

"Allie." I said. Having seen her before at a couple company meetings, I had a crush on this woman for a while. I found myself admiring her cleavage as it

Tanya, et al,

Oh yeah, great last issue, guys and gals. I picked it up at the newsstand before my train ride to Philly. (I had a private compartment, so don't worry about someone else seeing it). So – I settled down for the two hour ride and it was great. I looked at all the pictorials from cover to cover, thrice. After I finished going through it once, I decided to do it again and rate the photo sets. Don't think of this as sexist, but we men are entitled to our individual opinions about women and sex, just as any woman is allowed to do. So – my # 7 is DeBella: not my type. #6 is Nela: Not enough photos. #5 is Suzanne: too rough looking. #4 would be Merilyn: liked her. #3 is Claudia: she's hot and really sexy. #2 and #1 are a tie. I couldn't decide between Tanya getting fucked or the hot threeway lesbian scene. But I enjoyed them all!

– Dave, on the 10:20 to Philly

peeked out from behind the folds of her blouse. Instinctively, I closed my legs tightly to keep from being overcome by the lustfulness her body inspired in me. I couldn't help it but my pussy was growing damper by the second. I hoped the elevator ride would be quick or I feared I would succumb to my baser sexual instincts.

The doors closed behind me and with a jump the elevator jerked downward flinging Grace and me into the corner of the cab. We looked into each other's eyes and communicated our need without words. I ran my hands through her hair as I moved to kiss her. Roses and lilac fragrances lingered on her body, evoking images of lush gardens while I explored her mouth with my tongue.

Grace was right on it, too. She lifted my skirt and peeled back my panties to finger my moist pussy. I had no problems releasing her breasts from her pale pink sleeveless top. Her nipples were hard as candy and I greedily suck

led them enjoying their sweet flavor. Her fingers encouraged the dampness between my legs as they plunged deeper into me and explored the walls of my pussy. The movements of her fingers were hitting nerves along my cavern, sending waves of ecstasy through out my being, and leaving me with no escape from the oncoming rapture. The tingling warmth fanned out from my clit to the tips of my toes as the pleasure shook me. The juices escaped my body in waves down Grace's hand and forearm.

Grace had begun to rub her swollen clit against my thigh and I could feel her nectar sliding down my leg. Her arms encircled my waist and pressed my body against hers, grinding her pussy into my thigh harder. Her moans of pleasure were loud encouraging my desire. I ran my nails down her back while I moved my thigh up and down to drive her over the brink. Her hand pressed the back of my head; it forced me to devour her breast with teeth and tongue. The intermittent licking and biting of her nipple drove her wild as I thrust my fingers inside of her.

She jumped forward from

the sudden sensation of pleasure and I pulled her leg higher up on my hips to allow me better access to her moist canal. I slid finger after finger inside of her, opening her more and more until her pussy welcomed them all. I moved them slowly in and out of her in circular motions pressing her engorged clit hard against my leg. I had her at my mercy, her only choice was to surrender her body to the pleasure it was wanting. I felt her pussy muscles tighten around my fingers as they worked her insides.

Her body shuddered and I could feel her slippery juices envelope my fingers as she steadied herself with

the elevator cab's rails. She released moan after moan while she rode my hand in a desperate attempt to continue the subsiding torrents of ecstasy.

After she was utterly spent, she lowered her leg and we smiled at each other as we straightened our clothes. Just as we finished the bell went off and the doors opened. The two of us stepped off the elevator and into the lobby.

As we walked down the lobby to the doors, we passed the night security guard. "Good night, Mr. Buford." We said in unison as we waved goodbye. "You ladies need an escort to your cars?" Mr. Buford was a caring person and

he took the safety of the people who worked here seriously, but neither of us wanted him along. "Thanks, but we'll be fine," Grace said.

We exited the tall building and stepped out into the night air and looked at each other. We knew there was more to be said but unsure as to what. "I'll be working late tomorrow." I said, deciding to be as candid as I could after what just happened.

"Yes. I have a very large presentation due next week." Grace grinned at me. "Yeah, me too. I have a big report to finish before the weekend." I smiled slyly back at her.

We walked around the corner and found a dark doorway and finished up with a deep passionate kiss. Then the two of us headed to our cars. Can't wait for tomorrow.

as I turned and stared into her amazing blue eyes. The ceremony continued; each of us following directions and doing our part for the future bliss of the couple.

As the evening progresses, we don't say a word to each other during dinner and it scares the hell out of me. I wonder if she's feeling the same thing, because our eyes have met more than once. But thankfully, my fears are unfounded, and next day the wedding goes off without a hitch. I can't get over how sexy she looks in the powder blue bridesmaid dress that matches her eyes and her blonde hair pinned up and looking so proper. Some of the other guys are starting to tease me over the hard on I had for her yesterday.

The wedding ended as the beautiful spectacle that it was. Tons of good wishes and good cheer were bestowed upon the lucky couple, but tonight I think I'm going to be the luckiest one. At the reception, music played; people ate and danced, and I took her by the hand and danced our way out the door. Just looking for a quiet, private corner to get some air, I grabbed a flute of champagne for each of us on my way out the door.

In the parking lot I see the wedding party's limo with the driver nowhere in sight. I wandered over to it and found that it's not locked. I motion her over and hold the door open for her to enter.

I'm still holding the champagne glasses as I climb in behind her. As I hand her one of the glasses, we settle in the back seat and sit next to each other. I take a sip from the flute and begin to kiss her mouth, flooding the golden liquid into her mouth. I slide my hand up her thigh and discover she's wearing a garters and no panties. She leans over and unbuttons my shirt while she lightly runs her nails across my hand. I pull her dress off quickly and while I find

the black lacy bustier she's wearing very sexy, it's got to come off too.

I lose my clothes in record time and now we're both naked and the cool leather of the limo seat fells good as our body temperatures rise. I hold her glass next to her skin below her collarbone and tilt it slightly, the bubbly liquid flows down between her breasts, into her navel, and trickles into the small patch of hair below.

I kneel before her and trace its path down with my tongue. I part her smooth legs and run my tongue across her pussy, flicking it gently at her clit. She moans with pleasure as I swirl my tongue again and again over her

mound and savor her taste.

As she lays back across the seat, I rise up and mount her with delight as my hard cock enters her pussy and her nails dig into my back. We move together in sexual unison, whispering to each other, "faster, faster, harder, harder" as a hint of the expensive champagne lingers in the air. It doesn't take long for her to reach the edge of orgasm. Then she shudders with the intense pleasure of her orgasm as I empty my juices into her with a low groan.

Five minutes later we're dressed as well as can be expected and our hair is messed up, but we walk back into the reception hand in hand. A few people noticed that we were a little bit messy, but their attentions quickly went back to the wedding party. There was magic in the air that night and I took it back home with me.

Ryan called me after church on Sunday afternoon saying he was bored. Could he come over and we play around. I told him I would love that and he said he'd be over in an hour. Apparently he's very horny.

Margit

So the doorbell rings, and there he stands, tall, handsome and with a seven-inch hard-on that I was ready to jump on. "Come in Ryan, and take your clothes off."

I couldn't wait to get naked with Ryan.
He's much younger than me, but I like
that, and he like fucking me, too. He
does all the right things, knowing when
to be gentle and when to be rough.

Lately, I've been wanting longer,
harder fuck sessions, and he's cum
through for every one!

It's a shame that one of our favorite adult film stars, hardly ever does interviews. She's just as we imagined, sweet, beautiful, full of personality and one sexy fuck.

Kelli

Now she's just how we want her; sexy lingerie and stockings. We love garter belts and thongs and she wears them perfectly, But not for long. So after she gets undressed, we get right to the business of fucking. She's sexual woman personified as she devours cock in her mouth and pussy.

notes with Kelli

We were invited to spend the afternoon with Kelli Leigh at her Woodland Hills shoot. A reader perennial favorite, she spoke and we listened, and took notes.

Thank you for taking a moment to speak with us. As you know, we're great admirers of your work. You seem quite comfortable here. This is a nice place to shoot in. Is it yours?

I wish! No, it's not mine but I've shot here so often that the owner and I have become good friends. When I'm here, he gives me run of the house, and he's always been very accommodating to the other actors and the crew. And NO, in case you're wondering if I fuck him.

Do you enjoy being an adult video icon?

I don't really have a time to contemplate that. When I'm feeling horny, I'll call my agent and within a few hours there's a camera crew and the man, men, woman or women of my choice ready for me.

What attracts you most about a man?

I like guys with personalities, big hearts, and big cocks. I know it sounds cheesy, but I do. I like men who both respect and know how to please a woman. Plus, he has to have great smile and a know how to play a good game.

He also needs to have plenty of swagger and be really good in bed. Having some disposable income goes a long way, too, but it's not what I look for

What's something that turns you on about a man?

I'm the type of girl who needs a lot of affection and I love a man who likes the same thing. I like it when a man kisses and touches me every chance he gets. It doesn't have to be sexual; just being comforting can go a very long way with me.

And what turns you off?

Stinky breath turns me off much quicker than a light switch. If you can't get close to his face, how can you kiss and cuddle. That's especially true of cigarette smoking guys. Yuck, not near me. I'm also turned off by guys who talk and talk and talk. I talk a lot and he shouldn't talk more than me.

How do you get into the mood for great sex?

Foreplay is the number one thing. You have to put some work into it. There is no wham, bam, thank you maam with me. It helps if you touch me everywhere – slowly. Now that gets my juices flowing. A nice glass of wine or champagne loosens me up, too.

What's the hottest and wildest sex you've ever had?

Outside of work? I once had a threesome with another girl and guy. We were in Las Vegas and he had won several thousands of dollars at the poker table. We all were pretty loose and went into his room and got it on. It was three days of non-stop fucks and eats.

How many times have you made it with women?

I really don't keep score, but I think it's been quite a few over the years. Women are great lovers.

Is there anything special you do to please your man?

If you're talking sexually, I've been told that I'm really good at giving head. I've had an awful lot of practice so my technique is pretty good. That's always been a huge turn-on for guys. My mouth is very active. I like to deep throat and I like to suck on their balls. Plus guys like it when I swallow.

Are you a big fan of receiving oral sex?

I'm turned on by giving head, but I also love getting it. You have to show your man how to please you down there. Men like to rush things and I end up getting sore, but slow and easy will win my heart.

Where is the most interesting place you've ever fucked somebody?

Well, it was riding a horse and we did it in the saddle while riding. We were both facing forward and I was sitting on his cock as the horse trotted. It was all the motion we needed. I grabbed the saddle horn for support and rode that cowboy for at least a mile down the trail.

What's your favorite position?

I like getting it from the back, doggie style. Men like to feel in control and this position lets them do it. They control the thrusting and the pace. Plus they like to play with my butt hole at the same time.

How important is size?

If you're talking penis size, then it's somewhat important. He has to stay hard and be able to hit the right spots. If he's too big, then it's hard to give a decent blow job. Just can't get it all in my mouth.

What's your ultimate fantasy?

I think I've pretty much done it all. However, I can imagine doing it on a moving train. The power, the shaking, the screaming wheels. I could ride that iron horse all the way to orgasm. Now that would be hot!
